

## **AEW Europe's logistics platform at Plaine de l'Ain receives HQE certification**

AEW Europe announced today that the first acquisition for the Logistis III fund, a logistics platform at Plaine de l'Ain industrial park, has been HQE certified. The site which totals almost 30,000 sqm was delivered in January 2009 and is let to Chevallier also benefits from a rail connection.

"In developing one of the first HQE certified logistics platforms, AEW Europe is maintaining its logistics development strategy focussing on sustainable development and high-quality assets. This will in time become a significant differentiating criteria both on the rental and investment fronts. On top of this important environmentally-responsible step, this is also a means of adding value" said Frédéric Larroumets, Director of the Logistics Funds for AEW Europe.

AEW Europe is one of the pre-eminent European real estate investment managers with over 250 professionals operating from 11 offices in Barcelona, Bucharest, Budapest, Düsseldorf, London, Luxembourg, Milan, Paris, Prague, Stockholm, and Warsaw.

AEW Europe together with its U.S. and Singapore affiliates have approximately €30 billion in gross assets under management, are a subsidiary of Natixis Global Asset Management and constitute a broad, well-established network of relationships with property investors, owners, developers and lenders across the globe.
